APPLICATION FOR PLACEMENT OF UTILITIES ON COUNTY RIGHT OF WAY- Page 2

In making this request, I, the undersigned, do agree to perform the above described work in keeping with policies established by the DeKalb County Commission, in such a way to leave the County right-of-way in a condition as good as before said work was commenced, with special emphasis on appearance, drainage and erosion control.

It is understood that DeKalb County will not be responsible for conflict with utility due to road maintenance or road construction. It is understood and agreed by the undersigned party that if the County right-of-way is not restored in as good a condition as before said work was commenced, that the County is authorized to have corrections made at the expense of the utility company or individual involved.

PLEASE SEE ATTACHED SPECIFICATIONS AND DRAWINGS.
